

Testvale Squares head south to Australia

Founders of Testvale Squares, Carol and Alan Gerrey, have just spent four weeks visiting dancing friends in Adelaide, and attending a big dance convention in Tasmania. During a packed holiday they joined in with the Diggers Square Dance Club for an ANZAC celebration, then on to Magill Diamonds Club for another dance. A further trip to the Outlaws Club for a final dance in Adelaide then off to Tasmania for the big Convention where they have about 200 dancers!

Carol and Alan were also invited to Government House for a reception with the Governor, what a privilege and don't they look fabulous. They're on their way back to Totton now but have told the Club to start saving their pennies for the next Convention in 2029, wouldn't that be a fabulous trip!

Whilst Carol and Alan have been away, our trainee callers have been keeping the Club dancing, with Neil calling Plus on Mondays, and Shirley, John, Paul, Penny, Karen and Fiona calling Mainstream on Fridays, thanks from the Club to all of them.
