

Hats in the air for the Rodeo Dance at Testvale Squares in May

On a very hot evening we gathered at the Three Score Club in Totton for our annual Rodeo Dance, cowboy hats obligatory! With dancers making up three squares, Carol and Alan called to the floor all evening, mostly Mainstream but a few Plus dances as well, a really good selection of music and dance moves.

With tea and enough cake to fill many cowboy boots at break time (thanks to all our wonderful Testvale bakers) we were ready for the Raffle, with all proceeds going to our Charity of the Year, Motor Neurone Disease.

A fabulous event, great dancing, lovely company, and it was good to have two of our new trainee dancers helping out during the evening. Looking forward to next year already.
