

## **Testvale Squares visit Tilehurst Square Dance Club**

Whilst Carol and Alan were representing the Club down under, six of us travelled up to Tilehurst Squares near Reading on 9<sup>th</sup> May for their 'double header' with caller Terry Chapman. A fabulous afternoon with good dancing and a chance to catch up with other dancers. Excellent cakes provided by the Club.

A funny thing happened while we were sitting outside eating our lunch whilst admiring the Red Kites circling above us. Before we knew what was happening a Kite swooped down and pinched Kay's chicken wrap, so quickly and stealthily that none of us saw it or felt it, no damage done, just half of Kay's lunch gone! Oddly they weren't interested in my marmite sandwich.
